Elite World Group

+ 5000

Talents, Models, Content Creators,
Athletes, Dancers, Actors, Musicians

Founded in 1972, ELITE WORLD GROUP is the leading TALENT MANAGEMENT network, representing thousands of talent around the world and offering complete international coverage thanks to strategically located agencies.

Its annual worldwide talent competition, ELITE MODEL LOOK, remains the market leader – an unrivalled talent discovery engine that is the fashion industry's leading source of new faces. ELITE is an iconic brand whose name recognition is extended by a world-class LICENSING program.

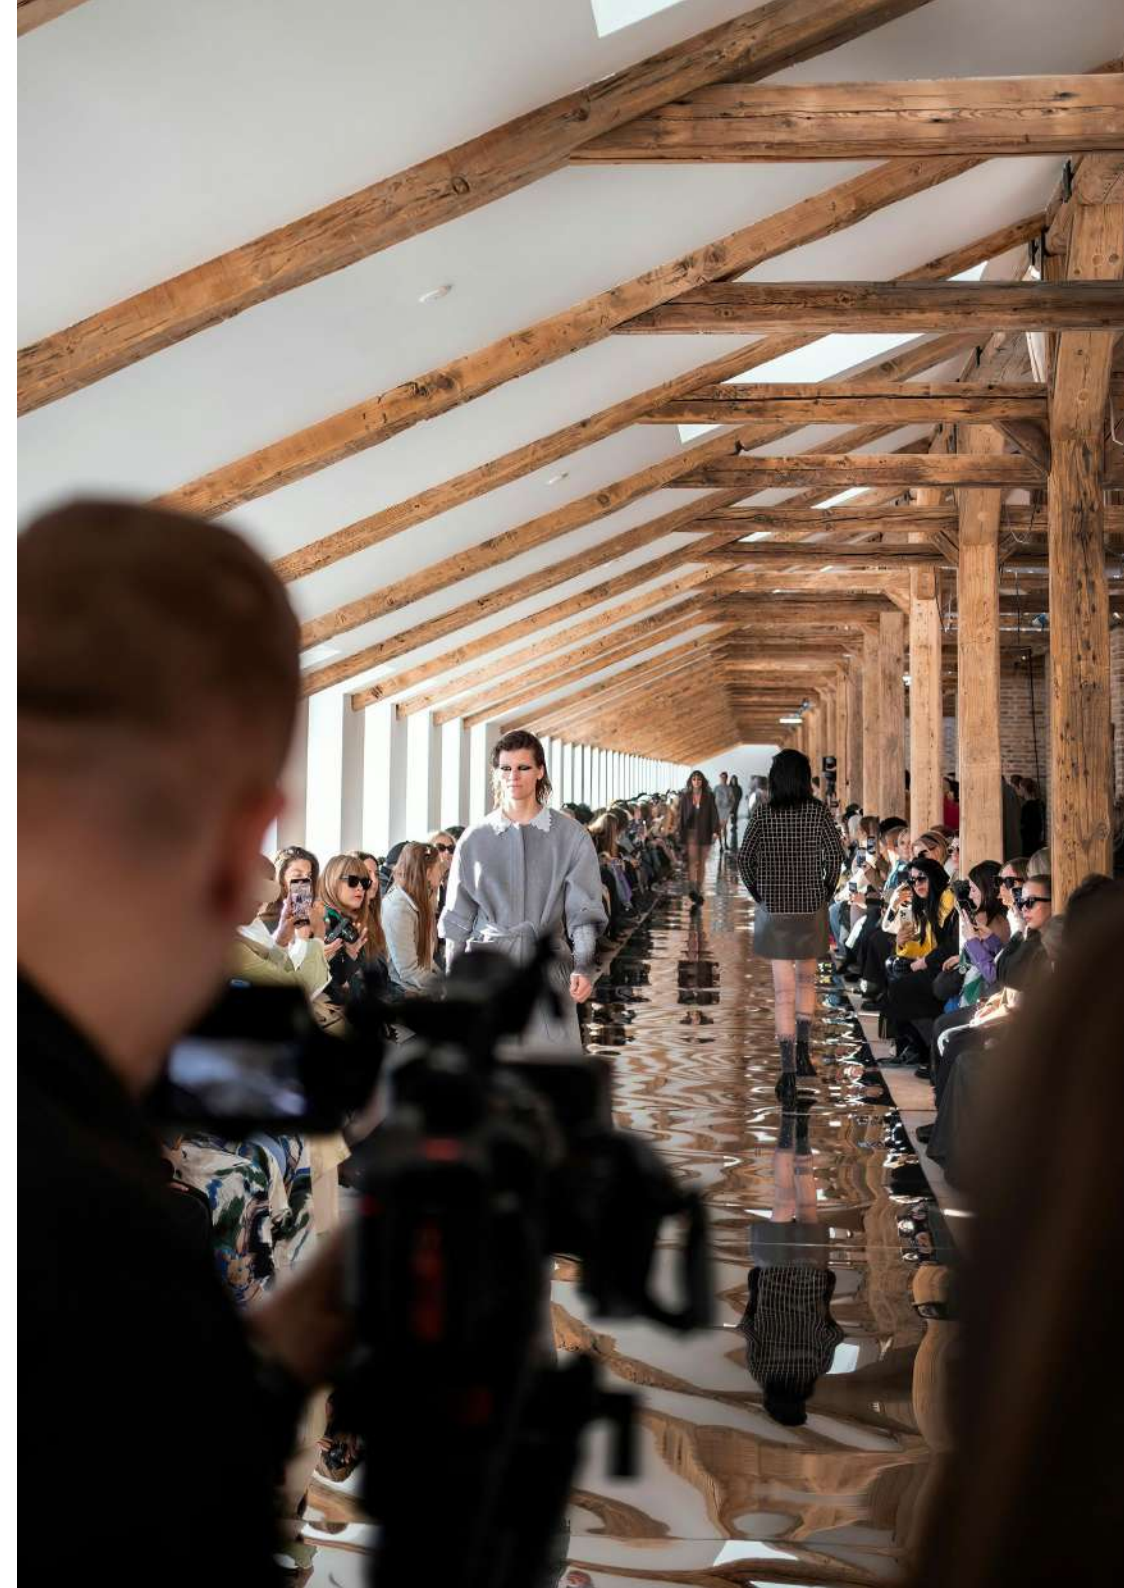

elite THE SOCIETY WOMEN SUPREME **WOMEN** EWG
TALENT

Our legacy

For 50 years and counting, EWG has represented the faces of the future. From Elite Model Management's establishment in 1972, to the debut of Elite Model Look in 1983, to the launch of The Society Management in 2013, to the acquisition of the Women Management network in 2014, then the launch of EWG Management in 2020, EWG has continued to grow its unmatched global footprint and expand upon its diverse roster of culturally-connected talent.

Throughout its history, EWG has discovered and represented some of the industry's most iconic faces – from Naomi Campbell to Cindy Crawford, Stephanie Seymour, Gisele Bündchen, Vittoria Ceretti, and countless other household names. With its long legacy of category leadership, global network of trusted model scouts and talent managers, and in-house creative content capabilities, EWG offers unrivalled ability to develop its talent into supermodels and media superstars alike.

Elite Model Look is a prestigious model search with a 40-year history of unparalleled success that transcends geographical boundaries to discover the next generation of fashion icons. Created to lead the industry into a broader definition of “beauty”, we seek to inspire young people from every walk of life. Each year, tens of thousands of candidates take part in the search, which offers a unique launchpad for a modelling career on the world’s stage.

40th World Final

The EML World Final brings together 40 promising talents from around the globe for a 5-day event. EML is more than a competition; it’s a journey of self-expression and discovery where finalists are immersed into the world of fashion, guided by a team of seasoned professionals and presented as future modelling icons to a jury of industry experts.
